

Visit Lisbon and ride the vineyards of Ribatejo, Portugal

Itinerary

The Ribatejo region close to Lisbon is the home land of the world famous Lusitano horse. Here you can ride on horseback through the endless unspoilt countryside and appreciate why this region has a National Fair dedicated to horses. In November every year Lusitano horse experts and fans travel from all points of the globe to Golega to enjoy this traditional festival where horses, riders and visitors meet to enjoy a unique and colourful fiesta. The Ribatejo region has been associated with wine since the days of the Romans and in 2000 the region won the highest wine certification in Portugal. We invite you to ride the Ribatejo Wine Route on Lusitano horses and enjoy an itinerary that blends tradition with cultural, and gastronomy with heady wines, picturesque wine cellars and vineyard tended with skill and affection.
