

Beach Ride Cornwall

Itinerary

Day One

You arrive today and settle into your chosen accommodation. The self catering cottages and The Village Inn are of a good standard and have en suite bedrooms. The cottages are located adjacent to the stables and The Inn is an 8 minute walk away along a pretty coastal path. In the village you will find a variety of shops, including a Spar open until 9pm and two pubs one of which is thatched and serves traditional ales.

Day Two

You will have an introductory lesson/assessment today followed later by a beach or countryside hack, why not take a walk to the chocolate factory for lunch and visit the historic Mullion Cove harbour.

Day Three

After a hearty breakfast we get you back in the saddle for a ride of your choice, you can choose from a lesson of flat work, show jumping or cross-country or you may prefer to hack on the golden sands of our neighbouring beaches. Later today why not visit our local ice cream farm where they make their own ice cream and you can watch the cows being milked, have a picnic by the large duck ponds or eat in their restaurant.

Day Four

Today there is a faster ride out planned for the more confident riders others may choose to continue with a lesson or a countryside hack. For lunch you must try the local farmer's home-made organic and traditional Cornish Pasties.

Day Five

Today is a rest day from riding, but with so many visits and attractions close to hand you won't be bored.

Day Six

Ride on the beach again today; it is a memory that will stay with you forever! In the summer months you can join in on the entertainment in the barn for a disco /rodeo bull challenge.

Day Seven

Depart.

Accommodation

Your accommodation will be on bed and breakfast basis in either one of the well appointed cottages adjacent to the riding centre or in the pretty local village pub which has a number of well appointed bedrooms. The cottages sleep 6 – 8 people and have a guest lounge plus kitchen facilities in case you would like to cook evening meals - see pictures. Please note that you may not have exclusive use of a cottage.

The centre also offers first class leisure facilities, including a fully equipped gym, sauna, hot tub, swimming pool, sports hall and entertainment barn which hosts barn dance evenings and rodeo bull challenge in the summer months.

Guests staying in The Village Inn can pay a supplement to enable them to use the gym and spa facilities at the stables of £35 per person for the duration of their stay.

You can reach us by car or by train to Penzance and then pick up a local bus (run frequently) to Mullion. We will collect you from the village.

What to do in Cornwall

A short drive from the centre is a highly regarded golf course and for children Flambard's Theme Park.
